B Scope and Registration of API BCA Facility

1. To be able to use the API BCA facility, the Facility Recipient must:
 - a. submit an application by filling out the Application Form for API BCA Facility;
 - b. provide other supporting documents in accordance with the applicable terms at BCA;
 - c. carry out development, testing, and ensure the fulfillment of security requirements, authorization mechanism, Consumer approval requirement, and risk management as determined by the competent regulatory body/standard institution and/or BCA in accordance with the API BCA feature selected by the Facility Recipient.
2. If the Facility Recipient cooperates with a Supporting Party, the Facility Recipient must ensure that the Supporting Party uses the technical standards and security set by the competent regulatory body/standard institution and/or BCA and maintains the confidentiality of the Data.

C Period, Suspension, and Termination of API BCA Facility

1. These Terms shall be effective from the date of the signing of these Terms until terminated based on the provisions specified in section C of these Terms and Conditions.
2. The API BCA Facility can be used by the Facility Recipient over the period agreed upon by the Parties.
3. BCA reserves the right to suspend the API BCA Facility and/or reject a Transaction, among other things, if:
 - a. there is an alleged suspicious Transaction conducted by the Facility Recipient;
 - b. there is an alleged suspicious Transaction conducted via the Facility Recipient's API BCA;
 - c. there is an alleged fraud committed using the Facility Recipient's API BCA facility;
 - d. there is an alleged misuse of the Facility Recipient's API BCA facility;
 - e. there is an allegation that the API BCA facility is used to facilitate a Transaction in violation of the prevailing law;
 - f. there is an indication of a data breach on the part of the Facility Recipient;
 - g. an order is issued by the competent supervisory authority to temporarily suspend the cooperation on the provision of the API BCA facility;
 - h. the API BCA facility is not used by the Facility Recipient for 6 (six) consecutive months;
 - i. The Facility Recipient violates either part or all of these Terms and Conditions and/or the prevailing law;

BCA will notify the Facility Recipient of the suspension of the API BCA facility as well as the reasons therefore.

4. The Facility Recipient must provide all the data and information as may be required by BCA and take follow-up actions regarding the suspension of the API BCA facility by BCA, including searching for the source of the problem, conducting an investigation, taking corrective and remedial actions as per BCA's request.
5. The Facility Recipient must provide evidence of the follow-up actions already taken by the Facility Recipient as per BCA's request. If, in BCA's opinion, the causes of the suspension have been successfully resolved and/or the Facility Recipient has taken the follow-up actions as per BCA's request, BCA may revoke the suspension of the API BCA facility. BCA will notify the Facility Recipient of the revocation of the suspension of the API BCA facility.
6. The cooperation in the provision of the API BCA facility may be terminated upon written notice from either Party to the other within a period of 30 (thirty) Calendar Days prior to the termination date requested by the Party intending to terminate the cooperation in the provision of the API BCA facility.
7. Upon certain considerations, either Party has the right to at any time terminate the cooperation in the provision of the API BCA Facility, among other things, if:
 - a. the other Party breaches any part or all of the provisions of these Terms and Conditions and/or the prevailing laws and regulations;
 - b. the other Party fails to fulfill its obligations under these Terms and Conditions, whether in part or in whole;
 - c. the other Party conducts any business activities that are prohibited by Law;
 - d. the other Party's business license is revoked or suspended by the Government or a competent authority, whether in part or in whole;
 - e. BCA takes an action that causes losses to the Facility Recipient and/or misuses the API BCA facility;
 - f. Pihak lainnya akan, sedang, atau telah dilakukan pemberesan, likuidasi, pengakhiran keberadaan, pemberhentian usaha, atau kepailitan berdasarkan peraturan perundang-undangan yang berlaku;
 - g. the other Party is declared bankrupt under a final court decision;
 - h. the other Party is included in the National Blacklist;
 - i. the other Party is known and/or reasonably suspected of using fake documents and/or providing incorrect data;
 - j. the other Party provides questionable information;
 - k. an order is issued by the competent supervisory authority.

8. Apart from the matters described in item C.7 above, BCA has the right to at any time terminate the cooperation in the provision of the API BCA facility to the Facility Recipient, among other things, if:

- a. The Facility Recipient commits an act that causes losses to BCA, misuses the API BCA facility, uses the API BCA facility not in accordance with its designation, or misuses the data obtained from the use of the API BCA facility;
- b. The Facility Recipient fails to take any follow-up actions regarding the suspension of the API BCA facility by BCA as referred to in item C.4 above;
- c. The Facility Recipient utilizes the API BCA facility to carry out any business activities that are prohibited under these Terms and Conditions or that contravene the norms of decency, religion, morals, public order, law, or the prevailing laws and regulations;
- d. The Facility Recipient changes the Facility Recipient's name and/or line of business without providing a written notice to BCA;
- e. The Facility Recipient cooperates with and processes a Transaction conducted by a fraudster;
- f. The Facility Recipient has a source of transaction funds that is known and/or reasonably suspected to originate from the proceeds of a criminal act;
- g. The Facility Recipient fails to comply with the requirements for information and/or supporting documents in accordance with the prevailing law;
- h. The Facility Recipient does not use the API BCA facility for 6 (six) consecutive months;
- i. The Facility Recipient ceases to be a customer of BCA.

9. Each Party retains the ability to exercise its rights and must fulfill its obligations that have arisen prior to the termination of the cooperation in the provision of the API BCA facility, including the obligation to pay all Transaction Fees and/or other fees (if any) that have arisen prior to the termination of the cooperation in the provision of the API BCA facility.

10. All losses suffered by each Party as a result of its negligence or fault shall be the sole responsibility of the Party concerned.

11. The Parties agree to waive the provisions of Article 1266 of the Indonesian Civil Code to the extent of the requirement for the Parties to obtain a court decision for the termination of these Terms and Conditions.

D Security Key

1. For purposes of the Transaction, each Party shall provide the other Party or any other persons designated by such other Party with the Security Key through the means determined by BCA.
2. Each Party must ensure that the Security Key can only be accessed by the authorized persons of each Party.
3. The Facility Recipient must maintain the confidentiality and security of the Security Key, among other things, by:
 - a. not disclosing any data related to the Security Key to other unauthorized parties;
 - b. not storing any data related to the Security Key in any media that potentially cause any data related to the Security Key to be known by other parties.
4. If the Facility Recipient changes the persons appointed by the Facility Recipient for the purposes of carrying out Transactions, the Facility Recipient may apply for a replacement of the Security Key to BCA. All consequences arising from the use of the Security Key by the persons appointed by the Facility Recipient, whether or not there is an application for the replacement of the Security Key, shall be the full responsibility of the Facility Recipient.
5. The Facility Recipient is fully responsible for any misuse of API BCA, the Security Key, and/or any data related to the Consumer and the Transaction as well as any losses arising from such misuse. The Facility Recipient hereby undertakes to indemnify BCA for any losses incurred by BCA (if any) and hold BCA harmless against all claims, demands, and/or lawsuits instituted by any party in connection therewith.
6. The Facility Recipient must immediately notify BCA in writing of any leakage of data related to the Security Key that have become known and/or are reasonably suspected of being known by any parties other than the Facility Recipient.

7. BCA will provide the Facility Recipient with, among other things, a new Security Key:
 - a. as a follow-up to the notice as referred to in item D.5 above;
 - b. at the request of the Facility Recipient;
 - c. at BCA's request for the periodic change of the Security Key.
 Subsequent thereto, the Facility Recipient must immediately adjust the new Security Key to the Facility Recipient's system.
8. BCA has the right to remove access to the old Security Key after BCA sends the new Security Key to the Facility Recipient, and the access removal will be notified by BCA to the Facility Recipient in any form and through any means in accordance with the prevailing law and regulations.
9. In connection with the use of certain services/sub-services under the API BCA facility that involve transactions on the Consumer's account by the Facility Recipient, the Facility Recipient must maintain the confidentiality of the Auth Code issued by BCA for each Consumer account. The Facility Recipient shall be fully responsible for any misuse of any Auth Code, including any loss arising therefrom.

11. The Facility Recipient must not use API BCA to conduct any transaction or action that violates or contravenes the applicable norms of decency, religion, morals, public order, law, or rules and regulations.
12. Without the prior written consent of BCA, the Facility Recipient must not use API BCA for the benefit of any other party or for the purpose of offering commercial services to other parties, including, among other things, as a funds transfer service provider
13. In the event that the Facility Recipient utilizes API BCA facility to offer products or services to Consumer, BCA is not responsible for the risks arising from the products or services offered by the Facility Recipient.
14. The Facility Recipient hereby undertakes to indemnify BCA for any losses incurred by BCA, among others due to sanctions/fines imposed by any regulatory body on BCA, and to hold BCA harmless against all claims, demands, and/or lawsuits of any kind instituted by any party whomsoever arising from any misuse of API BCA by the Facility Recipient or any use of API BCA that violates or contravenes the applicable norms of decency, religion, morals, public order, law, or rules and regulations.
15. The Facility Recipient must maintain the integrity of the Transaction data sent by the Facility Recipient to BCA.
16. The Facility Recipient must not change the Transaction instruction received from the Consumer as well as the data and Transaction Status received from BCA.
17. The Facility Recipient is entitled to receive a Notification from BCA if the Facility Recipient selects the Notification feature.
18. The Facility Recipient must notify BCA in writing if the Facility Recipient wishes to change the Facility Recipient's system and/or data
19. The Facility Recipient must take all necessary measures to ensure that every Transaction can only be conducted by the persons authorized by the Facility Recipient to conduct the Transaction. All consequences and losses arising from a Transaction conducted by any unauthorized persons shall become the sole responsibility of the Facility Recipient.
20. The Facility Recipient acknowledges that all communications and Transaction instructions received by BCA constitute valid evidence despite the absence of any document made in writing and/or signed by the Facility Recipient and BCA.
21. The Facility Recipient must have a reliable and adequate system, infrastructure, and data center, whether physical and/or non-physical, to ensure the security of the Transaction instruction transmission.
22. In the event of any discrepancies between the Transaction data held by the Facility Recipient and the Transaction data held by BCA, the data held by BCA shall prevail unless proven otherwise
23. BCA has the right to make any change, replacement, and system update related to API BCA, which will be notified by BCA to the Facility Recipient in any form and through any means in accordance with the prevailing law.
24. The Facility Recipient must make the necessary adjustments to any change, replacement, and system update related to API BCA from time to time.

E Mechanism for Authorization, Transaction, and Provision of Data

E.1. General Provisions

1. BCA follows the authorization method by reference to the provisions of Bank Indonesia regarding payment systems.
2. The Facility Recipient is fully responsible for and hereby holds BCA harmless against all claims, demands, and/or lawsuits of any kind instituted by the Consumer or the bank account owner authorizing the Facility Recipient to administer the account and shall resolve all issues related to the Transaction between the Facility Recipient and the Consumer and/or the bank account owner without involving BCA.
3. The Facility Recipient must ensure that the use and/or processing of the Consumer's data complies with the scope of the Consumer's approval.
4. When sending a Transaction instruction, the Facility Recipient must observe the Transaction cut-off time applicable at BCA.
5. BCA reserves the right to reject or not to process any Transaction instruction received by BCA's system from the Facility Recipient, among other things, if:
 - a. the Transaction Instruction provided by the Facility Recipient does not conform to the Transaction applicable terms at BCA (among others if the Transaction is made after the cut-off time applicable at BCA);
 - b. the number of Transaction data sent by the Facility Recipient exceeds the maximum limit set by BCA.
6. The Facility Recipient shall be fully responsible for any failure in the processing of a Transaction if such failure results from the Transaction instruction sent by the Facility Recipient not being in conformity with the applicable terms at BCA or sent beyond the prescribed cut-off time, or from any other causes not attributable to BCA's fault.
7. The Facility Recipient may not cancel a Transaction instruction that have been made by the Facility Recipient, except for Transaction described in item E.1.8 of these Terms and Conditions.
8. Especially for Transaction with a future processing date, the Facility Recipient may cancel a Transaction instruction with a future processing date after the date the Transaction instruction is made by sending a Transaction cancellation instruction no later than 1 (one) Calendar Day prior to the processing Transaction date of the relevant Transaction.
9. The Facility Recipient must ensure and be responsible for the correctness, accuracy, and completeness of the Transaction data before sending the Transaction data to BCA via API BCA. BCA shall not be liable for any consequences arising from incorrect, inaccurate, and/or incomplete Transaction data sent by the Facility Recipient.
10. Every Transaction received by BCA through API BCA is deemed as a valid and correct instruction from the Facility Recipient and shall bind and become the sole responsibility of the Facility Recipient. BCA is under no obligation to review or investigate the accuracy of any Transaction instruction received by BCA.

E.2. Special Provisions

1. The Facility Recipient can send an instruction to block funds or change the data on the funds blockage in relation to the Facility Recipient's bank account and/or another party's bank account at BCA, in respect of which the Facility Recipient has been authorized by the bank account owner and the necessary registration has been made with BCA in accordance with the applicable terms at BCA, in a certain amount according to the Facility Recipient's instruction to BCA, subject to the following provisions:
 - a. The blocking period is determined by the Facility Recipient, subject to a maximum period of 366 (three hundred and sixty-six) Calendar Days of the date of receipt of the blocking instruction by BCA;
 - b. BCA has the right to remove the funds blockage imposed on the bank account specified by the Facility Recipient on the expiry date determined by the Facility Recipient.
2. For the purpose of confirming fund transfer transactions, BCA provides a feature that can be used by the Facility Recipient to ensure the suitability of the name of the destination account holder before the Facility Recipient makes a fund transfer. The Facility Recipient is prohibited from using the feature for any purpose other than fund transfer.

F Rights and Obligations of Facility Recipient

1. In addition to the rights set out in other parts of these Terms and Conditions, the Facility Recipient is entitled to:
 - a. use the API facility provided by BCA;
 - b. cancel a Transaction according to the approval and mechanism determined by BCA;

 - p. report to BCA any cyber event/incident occurring in the Facility Recipient's system, infrastructure, and/or data center in connection with the use of the API BCA facility that may result in financial losses and/or disrupt the operations of the Facility Recipient and/or BCA;
 - q. monitor the Transaction pattern and/or any unusual Transactions made through the API BCA facility. In the event of any indication of an unusual Transaction, the Facility Recipient:
 - i. shall temporarily terminate the use of the API BCA facility;
 - ii. shall immediately submit a report to the work unit in charge of the payment system supervision function at Bank Indonesia in the form of an incidental report as referred to in the Bank Indonesia regulation regarding payment service providers. If the Facility Recipient is not a payment service provider, the report shall be submitted through BCA;
 - iii. shall immediately provide a written notice (electronic and non-electronic) upon being aware of any unusual Transaction no later than 3x24 hours with due observance of the relevant laws and regulations to: (a.) the affected Consumer; (b.) the parties that cooperate in the Open API Payment service; and/or other competent authorities.

- r. in the event the Facility Recipient cooperates with a Supporting Party, the Facility Recipient must ensure that the Supporting Party implements the standards set out in the SNAP and/or BCA and maintains the confidentiality of the data provided during the cooperation.

3. The Facility Recipient shall be responsible for any cyber event/incident occurring in the Facility Recipient's systems, infrastructure, and/or data center. In the event of any cyber event/incident resulting in unauthorized access to the API BCA facility and/or the Security Key by any third party, the Facility Recipient shall be fully responsible for any losses (including financial losses) that may arise from Transactions processed by BCA based on Transaction instructions received by BCA through the Facility Recipient's API BCA facility.

G Terms of Use of Verified Account on API BCA Developer Website

G.1. Use of Electronic Mail (Email) and Password of the Verified Account

1. The e-mail address and account password shall be used as a means of identifying the Verified Account to access the API BCA Developer Website. This e-mail address shall also be used by BCA to provide information such as activation e-mails, notification e-mails, or any other information related to activities on the API BCA Developer Website.
2. The Facility Recipient shall immediately notify BCA in writing if the password of the Verified Account is known and/or is reasonably suspected of having been known by another party. Any activities of the Verified Account on the API BCA Developer Website before BCA's authorized official receives the written notice shall be the sole responsibility of the Facility Recipient.
3. BCA shall not be liable for any failure in the transmission of information to the email address that does not result from BCA's fault or negligence.
4. BCA shall not be obliged to resend any information that was not successfully transmitted to the e-mail address registered with BCA.

G.2. Registration, Modification, and Closure of Verified Account

1. For each cooperation in the provision of the API BCA facility, the Facility Recipient can register and give a party appointed by the Facility Recipient to access the Verified Account on the API BCA Developer Website to administer the API BCA facility at the full responsibility of the Facility Recipient.
2. The Facility Recipient shall be fully responsible for all activities using the Verified Account on the API BCA Developer Website. All consequences arising from the use of the Verified Account shall be the sole responsibility of the Facility Recipient. The Facility Recipient shall hold BCA harmless against all claims, demands, and/or lawsuits of any kind instituted by any party, including by the Facility Recipient, arising from any misuse of the Verified Account.
3. The Facility Recipient must promptly notify BCA of any change to the identity data of a Verified Account User. The Facility Recipient shall be solely responsible for any consequences arising from the Facility Recipient's failure to notify BCA of such changes to the Verified Account User's identity data.
4. Any changes to the Verified Account User's identity data shall become effective as of the date BCA receives the request for such changes and has completed processing the request.
5. Based on certain considerations, BCA reserves the right to suspend the Verified Account if there is an indication that the Facility Recipient has violated any provisions regarding the use of the API BCA Developer Website or the applicable law.
6. If the provision of the API BCA facility is terminated, all access given to the Facility Recipient's Verified Account will be revoked/terminated.

 - (c.) other competent authorities.
 - j. require the Supporting Parties working with BCA to:
 - i. apply the standards set out in the SNAP and/or BCA;
 - ii. submit any data and/or information related to the payment system as requested by Bank Indonesia in accordance with the procedures and mechanisms stipulated by Bank Indonesia; and
 - iii. maintain the confidentiality of the data provided during the cooperation.

I Audit

1. BCA and/or the banking supervisory authority or any parties appointed by BCA or the banking supervisory authority have the right at any time to audit or inspect the Facility Recipient and/or the Supporting Parties used by Facility Recipient (if any) and other matters relating to the implementation of these Terms and Conditions upon prior notice.
2. The Facility Recipient must provide and ensure the availability of access to and/or the data in the possession of the Facility Recipient and the Supporting Parties used by the Facility Recipient (if any) including but not limited to the data center, audit trail, log file system, and Transaction data, as required by BCA, the banking supervisory authority, the parties appointed by BCA and/or the banking supervisory authority for the purposes of the audit

J Data Storage and Data Leakage Handling

1. The Facility Recipient must store the data related to the Consumer and the Transaction in accordance with the technical standards and security stipulated in the regulations laid down by Bank Indonesia and/or the competent supervisory authority.
2. The Facility Recipient must immediately notify BCA in writing of any leakage of data related to the Consumer and the Transaction, which are known and/or reasonably suspected of having been known by any party other than the Facility Recipient.
3. In the event of any leakage of data related to the Consumer and the Transaction, the Facility Recipient is obliged to do the following:
 - a. conduct identification and investigation to determine the severity of the data leakage according to the prescribed criteria;
 - b. submit a report on any data leakage;
 - c. handle any losses arising from data breaches according to the relevant laws and regulations.
4. The Facility Recipient must pay compensation for any leakage of data related to the Consumer and the Transaction at the Facility Recipient.
5. BCA and the Facility Recipient are prohibited from abusing data related to the Consumer, the Transaction, and the API BCA facility.
6. In the event of any misuse of data related to the Consumer and the Transaction as a consequence of the Facility Recipient's fault and/or negligence, the Facility Recipient shall be fully responsible therefor and hereby holds BCA harmless against all claims, demands, and/or lawsuits of any kind in connection therewith and shall resolve any problems arising from the misuse of data related to the Consumer and the Transaction between the Facility Recipient and the Consumer without involving BCA.
7. The Facility Recipient must delete the Consumer's data at the Consumer's request or in accordance with the prevailing law and regulations.
8. Each Party hereby represent and warrant that each Party:
 - a. shall process all data and information, including the Consumer's personal data, obtained in connection with the implementation of these Terms and Conditions in accordance with applicable laws and regulations governing personal data protection, including requesting and obtaining the Consumer's consent to conduct Transactions on the Consumer's account;
 - b. will exclusively process Consumer personal data for the purposes of executing cooperation under this Term and Conditions; and
